PART I – GENERAL INFORMATION

1.1 Introduction

MHA will receive sealed proposals from qualified firm(s)/individual(s) to provide Physical Needs Assessment. MHA anticipates that it will initially award a contract for a period of one (1) year with the option, at the MHA’s discretion, to renew for one (1) additional year.

1.2 Method of Solicitation

MHA is soliciting competitive proposals from qualified firms with a documented record of accomplishments of providing the required services, preferably for public housing authorities or other agencies through a formal RFP process.

1.3 Obtain Copies of this Solicitation

Single copies of the RFP package may be obtained, at no cost by:

1. Visiting the MHA’s website at: www.mhatoday.org
2. Requesting via email to mgroomster@mhatoday.org
3. Copies may also be picked up in person at:

Montgomery Housing Authority
Procurement/Contract Office
525 South Lawrence Street
Montgomery, Alabama 36104

Persons wishing to be emailed or faxed copies of the RFQ may submit their request via email to: mgroomster@mhatoday.org

PART II – INSTRUCTIONS FOR SUBMITTING PROPOSALS

2.1 Submission of Proposals

Respondents should submit **one (1) original and three (3) copies** of their proposal, dated and signed by an authorized official of the company. Proposals must be submitted in a *sealed envelope* that shows the firm’s name and address, and **clearly** written on the outside of the sealed envelope must be the words “**Physical Needs Assessment - (RFP 2018-07) – Tuesday, March 20, 2018 @ 3:00 p.m. (CST)**”.

Proposals received after the deadline date and time may be determined unacceptable. Refer to form **HUD 5369-B, Section 6**, regarding late submissions and withdrawals.

All proposals must be submitted in accordance with the conditions and instructions provided herein and must remain open for acceptance for one hundred and eighty (180) days from the due date. Proposals should demonstrate detailed plans on how the Respondent intends to provide the required services in a manner that will result in the successful and timely completion of the service(s). In addition, the proposal should demonstrate the Respondent’s capacity and readiness to perform the Scope of Services immediately upon execution of a contract with MHA. Finally, the proposal should include evidence of the Respondent’s previous experience and qualifications, relative to the provision of such services.

2.2 Interpretation/Questions

During the period between issuance of this RFP and the proposal due date, no oral interpretation of the RFP's requirements will be given to any prospective respondent. Requests for interpretation must be made, in writing, at least ten (10) days before the submission due date and time to: Email: mgroomster@mhatoday.org.

2.3 Addendum and Update Procedures for the RFP

During the period of advertisement for this RFP, MHA may wish to amend, add to, or delete from, the contents of this RFP. In such situations, MHA will issue an addendum to the RFP setting forth the nature of the modification(s). MHA will email (or send via regular postal mail or fax upon written request) any addenda to Respondents of this RFP solicitation. Interested parties may also view addenda on MHA's website www.mhatoday.org. It shall be the responsibility of each Respondent to ensure they have any/all additional addenda relative to this RFP.

2.4 Proposal Format

All proposals shall be submitted in 8 ½ x 11 inch format, preferably in three (3) ring binders. Larger size pages or inserts may be used, provided they fold into 8 ½ x 11 inches. All copies of the submittal must be identical in content and organization. The format of the respondent's proposal should be structured the same as the format of the RFP. Proposals should be organized into sections and tabbed for ease of review. Respondents must provide a comprehensive Table of Contents at the front of the proposal. The proposal also must be organized in response to the Submission Requirements. The front cover of the proposal should bear the name and number of the RFP, the date, and the Respondent's name, address, phone number and email address.

2.5 Submittal Forms

Provide, as a part of the proposal, all required certifications and HUD forms, licenses and proof of insurance. All forms that require a signature or initials must bear an original initial or signature.

2.6 Acceptance of Proposals

Proposals must be signed, sealed, and received in completed form at MHA, no later than the proposal closing date and time. Proposals submitted after the designated closing date and time will not be accepted for any reason, and will be returned unopened to the originator.

MHA reserves the right to accept or reject any or all proposals, to take exception to these RFP specifications or to waive any formalities. Respondents may be excluded from further considerations for failure to comply with the specifications of this RFP.

MHA reserves the right to reject the proposal of Respondents, who have previously failed to perform properly or to complete on time, a contract of similar nature. MHA also reserve the right to reject proposals of Respondents who habitually, without just cause, neglect the payment of bills or disregard their obligations to subcontractors, providers of materials, or employees.

2.7 Time for Reviewing Proposals

Proposals received prior to the closing date and time will be securely kept, unopened until the closing date and time. Proposals received after the closing date and time may not be considered. MHA's Evaluation Committee, appointed by the Executive Director, will evaluate all proposals properly received.

The Evaluation Committee will analyze proposals within the 180 days of the date and time due and make a recommendation for award of contract or not to award, to the MHA Executive Director.

2.8 Withdrawal of Proposals

Proposal may be withdrawn by written notice received any time before the contract award. Proposals may be withdrawn in person by Respondent or its authorized representative if the identity of such representative is established and a signed receipt of the withdrawn proposal is received by MHA prior to the contract award.

2.9 Award of Contract

Contract shall be awarded to the Respondent submitting a proposal according to the evaluation criteria contained herein, provided the proposal is in the best interest of MHA. The Respondent to whom the award is made will be notified at the earliest practical date.

2.10 HUD Debarment and Suspension List

The Respondents and all subcontractors' names or businesses must not appear on the HUD's Debarment and Suspension list.

2.11 Certification of Legal Entity

Prior to execution of the contract agreement, the Respondent shall certify that joint ventures, partnerships, team agreements, new corporations, or other entities that either exist or will be formally structured are, or will be, legal and binding under the Alabama State Law and the City of Montgomery, Alabama.

2.12 Cost Borne by Respondent

All cost related to the preparation of this RFP and any related activities are the responsibility of the Respondent. MHA assumes no liability for any costs incurred by the Respondent throughout the entire selection process.

2.13 Best Available Data

All information contained in this RFP is the best data available to MHA at the time the RFP was prepared. The information given in the RFP is not intended as representation having binding legal effect. This information is furnished for the convenience of Respondents and MHA assume no liability for any errors or omissions.

2.14 Contact with MHA Staff, Board Members and Residents

Beyond the above referenced written communications, Respondents and their representatives may not make any other form of contact with MHA staff, Board members, or residents. Any improper contact by or on behalf of Respondents may be grounds for disqualification.

2.15 Licenses and Insurance

The awarded individual/firm shall have and maintain all required licenses necessary to conduct business in the City of Montgomery and the State of Alabama. All licenses must be kept up to date for the duration of any ensuing contract. Copies of all licenses must be in the Procurement/Contract office prior to contract execution.

Prior to contract award and for the duration of the contract, the successful proposer will be required to provide proof of insurance (as outlined) and the MHA shall be named as an additional insured.

2.16 Respondent Responsibilities

Each Respondent is presumed by MHA to have thoroughly studied this RFP and become familiar with the contents, locations, and nature of requests. Any failure to understand completely any aspect of this RFP is the responsibility of the Respondent.

2.17 No Claim Against MHA

The Respondent shall not obtain, by submitting a proposal in response to this RFP, any claim against MHA or MHA's property for reason of all or any part of any of the following: the selection process; the rejection of any or all offers; the acceptance of any offer; entering into any agreements or the failure to enter any agreements; any statement, representations, acts or omissions of MHA or any person or entity acting on its behalf; the exercise of any discretion set forth in or concerning any of the foregoing; and any other matters arising out of the foregoing.

PART III – SUBMISSION REQUIREMENTS

Listed below are the sections that must be included in Respondent's proposal. Each section must be clearly labeled using the bold-faced titles listed below. The required submission must be bound and each section tabbed.

3.1 Staffing and Qualifications

- a. Provide information regarding staff experience and qualifications that demonstrates the Respondent's capacity to perform the required services. Include an organizational chart that illustrates the Respondent's overall staffing approach for completing the required work. Include in the chart all key personnel, specialists and consultants, who will be assigned work under a contract potentially resulting from this RFP.
- b. Provide resumes of all key personnel, specialists, and consultants who will perform the work required by a contract potentially resulting from this RFP. Identify their specific role in the provision of services required. Resumes should include the particular relevant experience of the individual as it relates to their proposed role in the project, in addition to the education, career, and achievement data typically included in a resume. Include evidence of required license and certifications, as applicable, held by the Respondent, its principals, and/or key staff.

- c. Identify all individuals who will be devoted to the project on a full time basis or part time basis (up to 50% of time allocated to project), including those who will be full time only for specific components of the project, as well as those filling a continuing position throughout the project. Provide detailed resumes for each, highlighting the particular experience that qualifies them for the position they will fill.
- d. Include timeline for completion and schedule of activities.

3.2 Relevant Experience and Past Performance

- a. Identify similar or related work performed for public housing authorities or other agencies that has been completed to date, or is currently active. Include projects completed or currently underway by the responding entity and/or each major participant in the proposal.
- b. For each project identified provide:
 - (1) Project name and address
 - (2) Contact person, title, telephone number, email and address
 - (3) Detailed description of scope of work
 - (4) The client for whom the Respondent's services were performed
 - (5) The size of the project
 - (6) The services performed by the Respondent on the project
 - (7) The dollar value of the contract for the services
 - (8) The duration of the project including start and completion dates, or projected completion date if currently active
 - (9) A reference contact for the project with name, address, email and telephone number
- c. Identify experience in performing work for public housing authorities or other agencies, by the Respondent and/or its participants.
- d. Demonstrate ability to produce reports that are well regarded in the industry in terms of content, timeliness, and responsiveness.
- e. Demonstrate, through written explanation, the Respondent's familiarity with Federal, State, and local laws, regulations and codes that the Respondent believes may be pertinent or applicable to this project.
- f. If the Respondent is a joint venture, or another entity formed solely for responding to this RFP, provide evidence of prior successful collaborations.

3.3 References

Provide a list of current and previous clients. This list must include the name and title of the contact person, with an address, email address and telephone number.

3.4 Respondent's Approach/Engagement Related to Scope of Service

- a. Provide a detailed narrative that demonstrates the approach or how the Respondent will engage with MHA staff.
- b. Outline its anticipated approach/engagement for each element of work identified in the Scope of Services. The outlined approach/engagement should be consistent with the

objectives and requirements set forth in the RFP, and should address how services will be immediately provided upon execution of a contract.

- c. Provide a narrative and bar graph type schedule indicating, in weeks, how the work will proceed under the contract, if applicable.
- d. Include proposed processes for ensuring effective coordination, as well as procedures for reporting and disseminating information.

3.5 Proposal Cost

Respondents shall provide a firm total cost along with a detailed itemized breakdown of total cost. Please show all expected expenditure to include all anticipated travel. Total cost must be all-inclusive.

3.6 Required Certifications/Forms

Each proposal shall contain a copy of the following HUD forms, which may be downloaded from the Procurement page of the MHA website: www.mhatoday.org.

- Form HUD-5369-B Instructions to Offerors – Non Construction
- Form HUD 5369-C Certifications and Representations of Offerors – Non-Construction Contract
- Form HUD SF-LLL Disclosure of Lobbying Activities
- Form HUD 50071 Certification of Payments to Influence Federal Transactions
- Form HUD 50070 Certification for a Drug-Free Workplace

PART IV - SCOPE OF SERVICES

The selected Contractor shall perform such services as required to conduct a Green Physical Needs Assessment (GPNA) for The Montgomery Housing Authority. The GPNA shall be conducted in accordance with 24 CFR Part 968.315, HUD Guidebook 7485.3G, The Public Housing and Modernization Standards Handbook 7485.2, and the HUD Physical Needs User Guide and Assessment rules. A list of all properties by name is included in Attachment A.

The selected Contractor shall provide all labor, materials, equipment and services necessary to perform and complete, in an acceptable manner, the following detailed services:

4.1 Physical Needs Assessment (PNA) Scope of Work

General Requirements:

- a. Evaluate each Montgomery Housing Authority property to ascertain the condition of the existing housing inventory and other properties; immediate critical and non-critical needs, general code compliance; repair, replacement and major deferred maintenance needs; and provide a total estimate of costs to address identified needs. Properties listed in Attachment A include all dwelling and non-dwelling spaces and buildings, community centers, parking areas, and drives within the property boundaries.
- b. Perform a visual assessment/inspection walkthrough on a Representative Sample Selection for each property and record data on HUD PNA-approved data collection forms. Destructive testing is not requested and must receive written approval before work starts.

Representative Sample Selection consists of the following:

10 % of dwelling units

20 % of dwelling buildings

100 % of non-dwelling structures and common areas

Of the sample selection, 100 % of Section 504 designated units will be inspected.

The assessor will record the data on the HUD Green PNA approved data collection forms for site, building exterior, building systems, unit, and common areas.

- c. Review existing property-related documentation including, but not limited to, energy audits, maintenance records, and prior assessments.
- d. Identify all work necessary to fix deficient conditions and provide recommended physical improvements to meet or exceed HUD standards, local and state health, safety, and building codes
- e. Identify deficiencies that have an impact on health and safety and report such to attention of MHA in a timely manner.
- f. Provide and record an estimate of Expected Useful Life (EUL) for each eligible property component noting any components with deficiencies beyond useful life. Note the source for the EUL.
- g. Provide and record a replacement unit cost and total replacement cost for each component.
- h. Identify costs for implementation to make selected units accessible and usable by persons with disabilities as required by Section 504 of the Rehabilitation Act of 1973. The results of the review will be entered into the Green PNA tool accessibility section.
- i. Conduct a cost reasonableness analysis, if needed, of projects planned for future modernization as prescribed in regulations. The assessor will also develop strategies to deal with problem affecting viability.
- j. Professional/certified cost estimating utilizing RS Means is preferred. Building a comprehensive cost and EUL component library is vital to using the HUD Green PNA Tool. The comprehensive cost and EUL component library will have descriptions and reference information.

Report Preparation

Prepare a detailed report that includes the following:

- a. For each property, an summary narrative describing exterior and interior condition with captioned color photo documentation, prior PNA information, assumptions, approach to prioritizing system

- b. Narrative of recommended improvements that improve long-term use and projection of future needs for each capital component.
- c. A comprehensive and detailed quantity and cost estimate of corrective work and physical improvements recommended at each property using line item prioritization and descriptions, cost tables, unit quantities, unit costs, etc.
- d. A comprehensive and detailed quantity and cost estimate of work items required to designate selected units as Section 504 of American with Disabilities Act (ADA) compliant at each property using line item prioritization and descriptions, cost tables, unit quantities, unit costs, etc.
- e. Total estimated cost for work at each property
- f. Combined grand total cost estimated of work at all properties
- g. Noted review of any ongoing work, not yet complete, during the assessment period
- h. HUD Capital Input Forms 52828, for each development assessed
- i. HUD Physical Needs Assessment 52832, for each development assessed – prioritizing recommended physical improvements
- j. A master prioritized list of major deficiencies with a brief description, recommendation, and cost estimate. Highlight any items that represent an immediate threat to health and safety.
- k. Note: See Attachment A — Development Breakdown Report, for data needed to plan and cost the Physical Needs Assessment for dwelling units.
- l. Note: See Attachment B – List of MHA Properties by Parcel ID, for location of all MHA properties by parcel.

Deliverables and Schedule

Deliverables:

- a. An Executive Summary summarizing major findings and recommendations plus any other major issues, including any repair items that immediately impact health and safety code violations; compliance issues such as relocation planning, environmental issues; systematic problems, and environmental hazard items.
- b. Two (2) hard copies and one (1) electronic copy shall be submitted by the contractor in a “flash or thumb drive” or Compact Disk (CD) of the Draft Report of Physical Needs Assessment Results.
- c. Two (2) hard copies and one (1) electronic copy shall be submitted by the contractor in a "flash or thumb drive" or Compact Disk (CD) of the Final Report of Physical Needs Assessment Results.
- d. The Contractor will provide the Agency with a copy of the HUD's Green Physical Needs Assessment Tool (GPNA) with all the Agency's PIC Data, PNA Inspections, Comprehensive Cost Library, Replacement Needs, Refurbishment Needs, Sustainability Needs, Accessibility Needs. and Marketability Needs installed, if necessary.

Schedule:

- a. The Draft Report of Physical Needs Assessment Results is to be received by this Agency no later than 90 days from date of Notice to Proceed.
- b. The Final Report of Physical Needs Assessment Results is to be received by this Agency no later than 120 days from the date of Notice to Proceed.
- c. When creating schedule, allow 30 days for review and comment on deliverables.
- d. All reports are to be sent to:

**Montgomery Housing Authority
525 South Lawrence Street
Montgomery, AL 36104**

Contract Terms

MHA is offering a one (1) year contract, with the option to renew for one (1) additional year, at the MHA's discretion.

PART V – PROCUREMENT PROCESS

5.1 Proposal Evaluation/Contract Award

Proposals received in response to this solicitation will be evaluated using the following evaluation process.

- a. The evaluation process will be used to determine the firms that will comprise the short list, from which final selection for contract award will ultimately be made.
 - (1) During the evaluation process, technical proposals will be evaluated and scored by an Evaluation Committee appointed by the Executive Director.
 - (2) Each member of the Evaluation Committee will score each proposal.
 - (3) Scoring will be based on predetermined Evaluation Criteria. The available points associated with each area of consideration are shown below in Item 5.2.
 - (4) The results of the evaluation, of both technical and cost proposals, will be used to determine those proposals to be considered in the competitive range.
 - (5) Proposals will be considered acceptable if they have a minimum score of 85 points and above.
 - (6) The Authority may request that proposers, whose submittals are in the competitive range, make oral presentations concerning their qualifications to the Authority's Evaluation Committee.

- (7) Cost proposals will be considered acceptable if the proposed cost is clearly not excessive compared to the proposed costs of other Respondents with acceptable technical proposals.
 - (8) Respondents with acceptable technical and cost proposals may be requested to supply additional information to assist in completing the due diligence review. Failure to satisfactorily complete the due diligence review within the timeframe established by MHA will result in disqualification of Respondents proposals.
- b. Scoring will be based upon how well the proposal meets the criteria established in this RFP.
 - c. MHA reserves the right to make no award, or decline to enter negotiations should it believe that no Respondent to this RFP would be capable of delivering the necessary level of service within an acceptable price range and/or the time period.
 - d. The Evaluation Committee will evaluate the merits of proposals received in accordance with the evaluation criteria stated in the RFP and formulate a recommendation. However, while a numerical rating system may be used to assist the Evaluation Committee in selecting the competitive range (if necessary) and making an award recommendation decision, the award decision is ultimately a business decision that will reflect an integrated assessment of the relative merits of the proposal using the criteria and their relative weights disclosed in the RFP.

5.2 Evaluation Criteria

a. Organizational Capacity: 30 Points

- (1) Respondent's organizational capacity will be evaluated through an assessment of the Respondent's staff, specialists', and consultants' experience and qualifications. In addition, the Respondent's ability to perform the work in a timely manner will be evaluated through a review of previous performance on similar projects, as well as current and projected capacity and workload.
- (2) Maximum consideration will be given to those Respondents having staff with the greatest amount of experience in performing work as required herein, and who can demonstrate sufficient capacity to perform the work timely, given current and projected workload

b. Relevant Experience and Past Performance: 25 Points

- (1) Relevant experience and past performance will be evaluated through an assessment of previous similarly related projects completed to date.
- (2) Maximum consideration will be given to those Respondents, who demonstrate through their submittal, a documented track record of successfully completing projects of the same type required by this RFP.

- (3) Maximum consideration will also be given to those Respondents who exhibit a successful track record of performing similar services for public housing authorities.

c. Respondent’s Approach/Engagement Related to the Scope of Service : 25 Points

- (1) The Respondent’s approach and response to the Scope of Service will be evaluated through an assessment of the proposed approach for each element of work identified in the Scope of Service.
- (2) Maximum consideration will be given to those Respondents, who demonstrate through their submittal, a clear and prudent plan for performing the required work within the established timeframe, if applicable.

d. Proposal Cost: 20 Points

- (1) Proposal cost will be evaluated through a careful analysis of cost compared to the other Respondents proposals.
- (2) Maximum consideration will be given to those Respondents, who demonstrate through their submittals, the ability to perform the required work at minimum cost to MHA.

Additional Points:

Disadvantaged Business Enterprise (DBE): 5 Points
Section 3 Participation Plan: 5 Points

- (1) The level of Disadvantage Business Enterprise (DBE), Women Business Enterprise (WBE) and Section 3 participation will be evaluated through an assessment of action plans and participation schedules submitted.
- (2) Maximum consideration will be given to those Respondents, who demonstrate through their submittals, that MHA’s state participation goals, in terms of DBE,WBE and Section 3 business enterprise contracting, and Section 3 resident employment and training, will be met.
