RE: **ADDENDUM #4 Questions and Answers #3**

We are having trouble locating a few addresses. We've tried to verify the below locations but no building/address appears for these locations. The addresses appear to be at an intersection with no buildings.

Can you please provide a valid address or confirm those 2 locations with an aerial map and pinpoints showing the exact building/address?

1701 Terminal Road, Montgomery, AL 36108
1703 Terminal Road, Montgomery, AL 36108

MHA RESPONSE: The following is a link confirming the MHA addresses <https://mhatoday.org/contact-us/>. The address of 1703 Terminal Rd for the Gibbs East Community Center is correct per our IT department. MHA does not currently have a aerial maps pinpointing locations.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
