### ADDENDUM THREE

**DATE:** May 10, 2021  
**TO:** All Bidders  
**FROM:** Sheila Brown, Procurement/Contract Administrator  
**RE:** ADDENDUM #3-Questions and Answers-3

---

---

1. Could you clarify the awarding criteria for this project? Is this a lowest price bid or a best value proposal.

**MHA Response:** Please refer to Section 5.2 Tabbed Proposal submitted of the IFB that details the information needed for the submission. MHA will contract with the lowest responsive, responsible bidder(s) for the benefit of MHA.

2. It was expressed at the site visit that this was awarded per housing authority location, however the solicitation appears to bundle all the units together. Please clarify if this is an all in one award, or if this will be awarded by location.

**MHA Response:** The agency reserves the right to award one or more contracts. Please refer to Section 2.2 Contract Terms/Consultant Agreement of the IFB.

3. Would the customer consider extending the bid a week to allow for adjustments based off RFI responses.

**MHA Response:** At this time, no decision has been made to extend the bid submission date. If such decision is made, MHA will issue an addendum with the new submission date.

**We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.**
