

ADDENDUM TWO

DATE: October 6, 2021
TO: All Bidders
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #2-Deletions to Scope of Work**

MHA is deleting the following items from its scope of work:

1. Under Properties to be serviced, MHA is removing Cedar Park (formerly Young Court Village) Mobile Highway
2. Under Turf Maintenance, MHA is removing the following:
“Cedar Park is to be bush hogged by third party vendor, but pricing should include maintaining areas in which the bush hog can not reach. The main area of consideration will be the ditch on the face of Cedar Park along Mobile Road and 5’ in back of the curb on the streets within the property.”
3. Under Turf Maintenance, MHA is removing the following:
“Concrete/asphalt cracks, walkways, pavement edges, sidewalks, AC units, utility equipment, fence lines and other areas of undesirable vegetation, at set intervals, shall be treated with a non-selective herbicide to control weeds.”

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
