Rental Increase Request Information

A request for rental increase must comply with **all** of the following requirements before the Montgomery Housing Authority (MHA) can approve the request.

A request for a rental increase must comply with all of the following requirements before the MHA can approve the request:

- (1) You must provide confirmation that your tenant will sign an amended lease agreement for the requested rent. This is verified by having the tenant sign this form prior to submission to MHA.
- (2) To have your request made effective at recertification date, it must be submitted no less than sixty (60) days **prior** to the anniversary date.
- (3) No rental increase can be submitted during the first twelve (12) months of a new contract.
- (4) The amount requested cannot exceed the rents for comparable unassisted units in the same neighborhood of the assisted unit.
- (5) For multi-family apartment building or complex three (3) or more units, please submit your current rent schedule.

A Rent Reasonableness test is conducted for all rental increase request submitted. If the results of this test indicate that an amount less than your current contract rent should be paid, the Montgomery Housing Authority (MHA) is required to reduce your contract rent accordingly. This is mandated by the 24 Code of Federal Regulations (CFR) 982.507(4), which states: *“at all times during the assisted tenancy the rent to owner may not exceed the reasonable rent as most recently determined or re-determined by the PHA.”*

In addition, please note the procedures for processing a Rental Increase Request:

- (1) Only one (1) request per unit will be processed by MHA during any twelve (12) month period.
- (2) Submit a new lease addendum accepting the approved annual rent increase.

IMPORTANT NOTICE:

Tenant portion may increase by some or the entire approved rental increase amount.
