1. On page 10 of RFP 2022-10, Part IV – Scope of Services, item B. k., mentions the “Urban Homeownership Assistance Program (UHAP).” Which government agency implements this program, and where can we find the regulations

MHA Response: The title is a typo. It should read Utility Housing Assistance Payment (UHAP).

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
