Statement of Housing Needs and Strategy for Addressing Housing Needs

MHA used information available through the U.S. Census, Comprehensive Housing Affordability Strategy (CHAS), the American Community Survey (ACS) 5-Year Estimates, and other data available to the MHA, to complete the matrix below. MHA serves households with an income less than or equal to 80 percent of the Area Median Income (AMI) of the City of Montgomery. In the City, 11,010 households have an income less than or equal to 30 percent AMI. The need is further established by the number of households on the MHA combined waiting lists for Public Housing, HCV and Project-Based assistance, 9,041.

MHA's Combined Waiting Lists data indicates that the greatest housing need in the City of Montgomery, AL, is among extremely low-income families with children. Of the combined 9041 households on the waiting list, 8,539 are extremely low income and 4,908 are households with children that lack adequate housing. MHA plans to address this need strategically through our redevelopment efforts. Partnering with the City of Montgomery and the State of Alabama Housing Finance Agency, MHA will strive to leverage private equity funding, to undertake the construction of housing that includes two and three-bedroom units that are affordable to extremely low-income households with children. These mixed income communities will be marketed through traditional publications, as well as through supportive services partnerships. Through these efforts, MHA will increase the number of affordable housing units throughout the Montgomery market, and present mixed finance developments as viable options for extremely low-income families seeking housing.

Operations and Management

MHA has in the past year, or intends in the upcoming year, to revise the following items contained with its Housing Choice Voucher Administrative Plan as noted below:
Section 11-2 MHA plans to implement online recertifications.

Safety and Crime Prevention

MHA services a population with an annual income which is extremely lower than the average city population. That factor places residents and visitors to the area in a want more feeling of life than the average citizen. Safety and crime prevention has been elevated to the forefront of resident importance. To help in combating and lessening this type of behavior, MHA has begun a resident safety and education program to ensure the residents obtain and maintain a feeling of belonging that increases pride. The program has several different aspects that are practiced throughout the year. They are as follows:

- **MHA Crime Line**: a dedicated phone line for residents to report criminal activity while remaining anonymous.
- **Neighborhood Watch**: a program that enlists residents to participate in cooperating with law enforcement to reduce crime, solve problems and improve the quality of life in the neighborhood. While in this program, residents will learn to:
 - Recognize and report crimes and suspicious activity
 - Protect themselves, their family and their property
 - Identify crime and problems in the area while working with Montgomery Police Department (MPD) personnel to solve them.
- **What are your thoughts**: A monthly survey where residents provide ideas and answer questions to help build the community and further aid in the development of programs to evoke community involvement.
- **Stop the Violence**: MHA has launched a stop the violence campaign which promotes the message of safety and crime prevention in the community. This campaign has manifested in block party events at each MHA operated community to promote the message of stopping the violence.
- **Increased Police Presence**: MHA and MPD are demonstrating a combined effort to show that low-income communities—and the people who live in them—matter. In doing so, MHA seeks to increase police patrols within its public housing communities to decrease crime and increase security.

Community Service and Self-Sufficiency Programs

MHA will continue to offer the Family Self-Sufficiency (FSS) Program to both public housing and housing choice voucher families. The Resident Opportunities and Self-Sufficiency (ROSS) Program will be offered to all public housing families. The action plan for the FSS Program is being revised to comply with HUD’s new rule for FSS that went into effect on June 16, 2022. The plan must be approved by HUD before it can be implemented. HUD requires that the action plan be approved and implemented no later than November 2022. The Resident Services Department will work closely with the Property Management Department to implement MHA’s Community Service Program. This program will follow guidelines outlined in the updated ACOP. Residents who are required to participate in the community service program will have an opportunity to earn hours through volunteer work with partner agencies and the Resident Services staff as well as participation in the self-sufficiency programs offered by the agency.

Significant Amendment/Modification

MHA defines “significant amendment or modification” as changes to its plans or policies which fundamentally alter the mission, goals or objectives of the Agency including; changes to the rent or admissions policies or organization of the waiting lists; additions of non-emergency work items or changes in use of replacement reserve funds under the Capital Fund; additions of new activities not included in the current Plan; and any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Substantial deviation/modification shall include any change in the planned or actual use of federal funds for activities that would prohibit or redirect MHA’s mission to create affordable, sustainable housing while improving the quality of life for families and encouraging independence; and any single or cumulative annual change in the planned or actual use of federal funds as identified in the 5-Year Plan that exceeds 20% of MHA’s annual program budgets for HCV (Section 8), Public Housing or Development activities. Examples include: the need to respond immediately to Acts of God or unforeseeable significant events beyond the control of the Housing Authority. Also included are mandates from local government officials, and/or the governing board of the Housing Authority, to modify, revise, or delete the long-range goals and objectives of the program.

Any revision to MHA plans and/or policies adopted or implemented, as the result of a Presidential Order, Congressional appropriation or legislation, HUD revision to any program regulation governing our programs or funding streams, or editorial changes such as additional detailed language provided for clarification of activities will not be considered a significant amendment or modification to the 5-Year Plan.

Changes made to the Plan, or any component thereof, that do not relate to the above-mentioned definition will not be considered “substantial” or “significant” and will not require public notice or comment.

(c) The PHA must submit its Deconcentration Policy for Field Office review.

If subject to deconcentration requirements, MHA or Mixed-Finance Owner will consider its deconcentration goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve MHA or Mixed-Finance Owner’s deconcentration goals. A deconcentration offer will be considered a “bonus” offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.

B.2 New Activities.

(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

Y N

- Hope VI or Choice Neighborhoods.
- Mixed Finance Modernization or Development.
- Demolition and/or Disposition.
- Designated Housing for Elderly and/or Disabled Families.

HOPE VI or Choice Neighborhoods

In 2020, the MHA was awarded a \$450,000 Choice Neighborhoods Initiative (CNI) planning grant to revitalize the Paterson Court public housing community and the broader Centennial Hill neighborhood. MHA has submitted its draft CNI Transformation Plan to HUD which is currently under review. MHA has also issued a Request for Qualifications for a Co-developer partner for Paterson Court and intends to select a developer in the upcoming year that will provide the financing plan to redevelop Paterson Court at off-site locations. The said financing plan will explore all potential grant opportunities such as Federal Home Loan Bank (FHLB) Affordable Housing Program (AHP) funding and public and private funding sources as appropriate. MHA further intends to apply for future CNI implementation grant funds based on its Transformation Plan for the Centennial Hill neighborhood.

Mixed Finance Modernization or Development

Modernization

MHA's Modernization efforts will be focused on implementing a comprehensive site and dwelling maintenance improvement plan for all outstanding capital needs and ongoing maintenance concerns. Immediate improvements for this year include:

- Site-wide roofing replacements at Victor Tulane Gardens, Gibbs Village East and Gibbs Village West.

Mixed Finance / Development

MHA's priorities for mixed-finance and development in the upcoming year are focused on the following:

- Redevelopment of Paterson Court at off-site locations
- Install crosswalk[s] and street signage at Paterson Court to improve walkability and slow traffic through the residential corridors
- Finalize its CNI Transformation Plan for the Centennial Hill Neighborhood
- Select a developer for the Redevelopment of Paterson Court
- Apply for 9% low-income housing tax credits for the Redevelopment of Paterson Court
- Submit a Section 18 Disposition Plan to HUD for Paterson Court
- Relocate the Paterson Court families with HCV vouchers
- Increase MHA's internal capacity with new hires in the Real Estate Department
- Apply for CNI Implementation grant funds for Paterson Ct
- Utilize the balance of the former Tulane Court and Trenholm Court public housing sites for off-site replacement housing for Paterson Court
- Utilize the Smiley Court RAD units for the off-site replacement housing for Paterson Court to the extent financially feasible
- Issue a Request for Proposals for Project Based Vouchers by others as off-site replacement housing for Paterson Court

MHA will accomplish these mixed finance / development activities in partnership with other nonprofit and/or for-profit developers as appropriate to develop strategies and increase the number of affordable units in MHA's portfolio.

MHA will focus on poverty de-concentration by seeking to develop mixed income housing in communities with desirable amenities.

MHA may establish an Acquisition Infill (AI) program to build infill housing to stabilize key neighborhoods, especially in low impact areas, to aid in the de-concentration of poverty.

MHA will explore off-site acquisition opportunities in the upcoming year to replace ACC units lost due to the demolition and disposition activities undertaken to advance transformation goals in the previous years.

MHA will seek to replace these ACC units with other HUD subsidized units to the maximum extent feasible.

MHA may also elect to explore opportunities under its non-profit affiliate to leverage funding opportunities such as HOME, CDBG, and other sources.

MHA expects to select a co-developer partner. The primary focus of the partnership will be for the new construction of replacement housing for units lost as a result of the demolition/ disposition activities currently planned or previously undertaken by the MHA. This will further the agency transformation goals.

MHA will seek funding and donations from private, corporate and individual philanthropic organizations to complete the build out of an Interpretive Center in the building that Mrs. Parks apartment is located.

Demolition or Disposition
MHA will likely submit a Section 18 Disposition Plan to HUD in the upcoming year for the Paterson Court public housing site and seek to redevelop replacement housing at off-site locations due to FEMA flood plain and other environmental concerns at the site.

MHA will also continue to seek out potential interested developers and/ or buyers for the former Cedar Park and Smiley Courts housing sites to accomplish the MHA's community revitalization goals. These options may include Fair Market Value and/or land swap transactions, as may be approved by HUD.

Designated Housing for Elderly and/or Disabled Families
MHA intends to seek development and/or property acquisition opportunities to establish housing communities for senior citizens.

MHA is exploring opportunities to purchase pre-existing units to expand its senior living inventory in addition to partnering with local affordable housing developers such as Aletheia House, Inc. to house voucher holding senior residents.

Additionally, the agency is currently revisiting previous housing unit mix plans for the Ann St. senior living facility to implement in the future development phases for the Plaza at Centennial Hill and/or Columbus Square.

Project-Based Vouchers (PBV)
MHA is open to efforts to increase the supply of affordable housing. MHA may consider an expansion of the PBV program. MHA anticipates issuing an RFP for Project-Based Vouchers restricted by RAD rents. MHA may issue an RFP for Project-Based Vouchers based on Section 8 rents.

Other Capital Grant Programs
MHA will apply for Emergency Safety and Security Grants as may become available. Security concerns remain a top priority for MHA and the residents.

Site-Based Waiting List
MHA has a site-based waiting list at the Plaza at Centennial Hill and Columbus Square Mixed-Finance properties. MHA may continue to utilize site-based waiting lists for any future developments where PBVs are attached.

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

MHA has submitted its draft CNI Transformation Plan to HUD which is currently under review. MHA has also issued a Request for Qualifications for a Co-developer partner for Paterson Court and intends to select a developer in the upcoming year that will provide the financing plan to redevelop Paterson Court at off-site locations. The said financing plan will explore all potential grant opportunities such as Federal Home Loan Bank (FHLB) Affordable Housing Program (AHP) funding and public and private funding sources as appropriate. MHA further intends to apply for future CNI implementation grant funds based on its Transformation Plan for the Centennial Hill neighborhood.

Finally, MHA previously received disposition approval from HUD for the sale of the Cedar Park property. D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing (AFFH).

Provide a statement of the PHA’s strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Affirmatively Further Fair Housing Statement

The Montgomery Housing Authority affirmatively furthers Fair Housing, in the administration of its programs, by complying fully with all Federal, State and local nondiscrimination laws and administering programs, in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and by marketing its program to members of protected classes who are “least likely to apply”.

The Authority shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, familial status, marital status, parental status, sexual orientation, military status or disability.

This is a fundamental policy of the MHA, as it is committed to due diligence, in assuring equal housing opportunities and non-discrimination in all aspects of its housing activities. MHA has embraced an ethical, as well as the legal imperative, to aggressively ensure that MHA’s housing programs comply fully with all local, state and federal fair housing laws including, the Fair Housing Act of 1968, as amended (Fair Housing Act) and its implementing regulations. Additionally, the MHA is implementing special initiatives to affirmatively further fair housing, as required by Section 808(c)(5) of the Fair Housing Act. These efforts to affirmatively further fair housing include promoting the deconcentration of poverty, income-mixing, and opportunities for families to live in the various, diverse communities throughout the City of Montgomery.

<p>Fair Housing Goal:</p> <p><u><i>Describe fair housing strategies and actions to achieve the goal</i></u></p> <p>The MHA has maintained, in its lobby, a bulletin board, which accommodate the following posted materials :</p> <ol style="list-style-type: none"> 1. <p>Fair Housing Goal:</p>

Describe fair housing strategies and actions to achieve the goal

The City of Montgomery, Alabama conducted an Analysis of Impediments (AI) to Fair Housing Choice in 2014, as part of its 2014-2019 Consolidated Plan. The AI identified fourteen impediments, with one specifically directed to MHA that impacts residents' fair housing choice in the City: Racial and Economic Isolation of Public Housing Residents, which states that both voucher holders and public housing residents live in poor, racially-concentrated neighborhoods.

Since the initial 2014 AI report, MHA has endeavored to address this impediment. To lessen racial and economic isolation, and achieve greater housing choice, MHA expanded landlord outreach and conducted annual landlord orientation meetings. In addition, MHA encourages applicants to seek housing throughout the City and the surrounding MSA as part of the HCV briefing process.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

To further combat the disparity, MHA has coordinated with the City of Montgomery to educate and inform community stakeholders to encourage the development of affordable housing throughout the City with the support and mutual investment of city funds. MHA is engaged in ongoing efforts to identify land suitable for housing development efforts that will meet or exceed the HUD site and neighborhood standards and deconcentration goals.

Mission. State the PHA's mission for serving the needs of low-income, very low-income, and extremely low-income families in the PHA's jurisdiction for the next five years.

The mission of the Montgomery Housing Authority (MHA) is to create affordable, sustainable housing while improving the quality of life for families and encouraging independence.

In order to achieve this mission, the MHA will:

1. Seek to Transform Neighborhoods

The implementation of MHA's mission includes seeking transformative affordable housing development with community and developer partners.

- MHA received a 2020 Choice Planning Grant for Paterson Court. MHA will shift from planning to implementation in the coming years. Broad goals of the Choice Housing Plan include: 1) procuring an experienced affordable housing developer to help implement the Housing Plan, 2) refining the Housing Plan with the to-be-selected developer – including plans to redevelop parcels owned by MHA (the former Tulane Court and Trenholm Court public housing sites) as well as issue an RFP for offsite development of project-based vouchers;
- Review opportunities for Paterson Court site through Choice Planning Grant activities;
- Review opportunities for possible sale of demolished Smiley Court;
- Review opportunities for the Conversion Awaiting Transfer (CAT) received for Smiley Court, which will allow for future Rental Assistance Demonstration (RAD) development at off-site locations through transfer of assistance;
- Review options for the community space at Parks Place;
- Promote new development using LIHTC (and any proceeds) and RAD, where appropriate;
- Review possible plans for offsite affordable housing development through a selection process;
- Explore opportunities to submit additional RAD applications for other public housing developments as may be in the best interest of MHA;
- Review options for acquisition and disposition of land, and
- Consider opportunities to expand MHA's portfolio of housing while fostering communities and promoting de-concentration of poverty.

2. Create Administrative Efficiency while Enhancing the Customer Experience

Maximize existing technology to create touchless access points and improve ease of use for both external and internal customers. Create staff efficiency around processing by reducing the number of interactions necessary to gather information and complete transactions with landlords, tenants and development partners. Outcomes: (a) reduce redundancies and re-work; (b) create reliability by strengthening the critical business pathways improving resident access when placing service requests, receiving official letters/documents and paying rent/other charges; (c) and, implement remote re-certifications.

3. Promote Fair Housing and De-concentration

Use redevelopment activities as an opportunity to expand MHA's portfolio across the Montgomery metropolitan area and continue to promote poverty deconcentration efforts in compliance with prevailing laws. Encourage mobility of voucher holders into areas with greater economic opportunities and amenities, through housing programs and redevelopment activities. Outcomes: (a) work with City and County leadership to encourage changes to local city ordinances and policies to promote inclusionary zoning, requiring new multi-family developers to earmark a percentage of dwellings for low-income families - inclusionary zoning; (b) acquire suitable land in non-impacted census tracts and hold for future development; (c) increase the number of underrepresented families in both the Housing Choice Voucher and Public Housing programs.

4. Economic Self-Sufficiency Opportunities

Maintain resident self-sufficiency programs that promote economic independence, through practical skills development, job readiness, education, financial literacy, homeownership, and small business start-up training. Create workforce and business development training opportunities by partnering with the local Career Center and State Department of Labor. Strengthen partnerships with local organizations/businesses who provide employment and training to support a direct pathway for resident enrollment in local colleges and technical schools. Outcomes: (a) placements to employers who rely on local workforce; (b) increase the number of families participating in the Housing Choice Voucher home-ownership program; (c) increase the number of MHA families who become self-sufficient; (d) establish relationships with banks and mortgage lenders who will offer incentivized savings programs and mortgage loans; (e) market new onsite GED preparation program for PH and HCV residents; (f) provide financial literacy to at least 30% of PH and HCV families, including youth.

5. Expand and Improve Affordable Housing

Create and take advantage of opportunities to leverage resources to build, acquire/renovate and rehabilitate new affordable housing. Outcomes: (a) submit a tax credit application for Columbus Square Phase III; (b) self-develop the remaining portion of The Plaza at Centennial Hill Phase III; (c) reposition Paterson Court using the CNI program and proceeds from sale; low income housing tax credits and capital/operating reserves; (d) convert assistance to RAD for a portion of the Smiley Court units that were vacant when the demolition application was approved by HUD and utilize said RAD transfer of assistance in MHA's on-going development efforts; (e) advertise for PBV and/or RAD vouchers to partner with other developers building affordable housing; (f) use MHA's non-profit instrumentality as a vehicle for redevelopment, and (g) explore mixed-used models for future development; and (h) utilize HUD's recent "Faircloth" policy updates to finance the construction of new deeply affordable rent-assisted units up to MHA's Faircloth limit - currently the MHA is operating with 1561 fewer units than its Faircloth limit.

6. Image Transformation-Anchor the Message – MHA properties are Communities of Choice

	<p>Develop multi-media rebranding message to promote positive attributes, amenities, and public benefit of MHA housing programs and development activities. 11) MIXED-FINANCE HOUSING DEVELOPMENT PLAN

Paterson Court

MHA was awarded a Choice Neighborhoods Initiative (CNI) Planning Grant in FY 2020 for the Centennial Hill neighborhood. The distressed public housing site, which is the focus of the grant, is Paterson Court. Since January 2021, Lead Grantee MHA and Co-Grantee, the City of Montgomery, have been involved in a planning process meant to improve the quality of life for Paterson Court residents, and create a neighborhood of choice in Centennial Hill. The draft Transformation Plan will be submitted to HUD on September 16, 2022, and we anticipate their feedback in the months following. Also, part of the planning grant is the procurement of the master developer that will build new public housing replacement units in Centennial Hill.

Two mixed finance strategies for Paterson Court are being considered at present based on whether MHA receives or does not receive CNI Implementation funds. If MHA does not receive Implementation funds, MHA's master developer will secure 9% tax credits over multiple years to complete existing sites at Columbus Square and the Plaza at Centennial Hill. The vacant land, controlled by MHA, can support 61 family units and 56 senior units at Columbus Square and 27 family units at the Plaza at Centennial Hill to create low density environments. In addition, MHA would develop 56 project-based voucher (PBV) units in Centennial Hill on state-owned delinquent property that the City can control by agreement with the State of Alabama. PBVs would be awarded through a procurement process. This scenario will result in a total of 200 units.

In the second scenario, in which MHA is awarded CNI Implementation funds, the total housing plan would include 401 new units including 61 family units at Columbus Square, 90 senior units at Columbus Square, 118 family units at the Plaza at Centennial Hill and 132 PBVs on the state-owned delinquent property. This higher density approach will score higher on a CNI Implementation application as opposed to a proposal of lower density. This strategy also includes the MHA owned Lister Hill site which is adjacent to the Plaza. It will also include 9% tax credits secured by the master developer as described above plus up to \$28 million in CNI Implementation funds intended for replacement housing. The other \$12 million in CNI Implementation funds will support the People and Neighborhood strategies.

DEVELOPMENT TEAM

The Authority plays a significant role in each mixed-finance development and is responsible for overall project success. This approach allows the agency to build its development skills and replicate the process in future development projects. The development team is comprised of the following:

- Chief Executive Officer
- Financial Consultant
- Development Partner
- Architect and Engineer
- General Contractor
- Environmental Consultant
- Mixed-finance Legal Counsel
- Market Analyst
- Project Manager

Program Manager

SCHEDULE & FINANCING

The Real Estate Development department works closely with MHA's financial and development consultants and the developer, to create a comprehensive schedule for the redevelopment of Columbus Square and the final phase of development at The Plaza at Centennial Hill. The redevelopment schedule for Columbus Square is heavily dependent upon the award of Low-Income Housing Tax Credits (LIHTC), while The Plaza at Centennial Hill Phase III will be self-developed, by MHA, through OFFP funds.

MHA has sufficient sources to complete the redevelopment of Tulane Court/The Plaza at Centennial Hill and continue the redevelopment at Trenholm Court/ Columbus Square. MHA realized a share of the developer-fee, from each phase of the redevelopment at both Tulane Court and Trenholm Court. The Authority provided a ground lease, to the partnership formed to own the improvements, at each phase of the housing developments. MHA's development partners provided necessary financial guarantees.

PROGRAM CHARACTERISTICS AND NEXT STEPS

MHA is committed to utilizing its public assets to improve the quality of life and economic health of its residents as well as community neighborhoods. The Victor Tulane Gardens property was recognized by the City of Montgomery as an "opportunity site" in the Downtown Master Plan. MHA's vision for this redevelopment is to create a community where people of different economic strata, races, and cultures will live, learn, work, and raise families in close proximity to abundant employment, retail and cultural opportunities.

The Authority is committed to expanding its presence in the affordable housing community and going beyond the bounds of traditional HUD-subsidized public housing. MHA realizes that there is a substantial demand for not only housing at the low-income level, but also for workforce housing and subsidized, service-enriched housing for the elderly. Having studied models of other public housing authorities, in communities across the country that have become agents of change in those cities, MHA plans to play a significant role in the revitalization of the City of Montgomery.

The Authority has worked with city planners to ensure that its new developments are in line with the City's Downtown Master Plan and the recent redevelopment study of Centennial Hill - the historically significant neighborhood of which the Plaza at Centennial Hill (formerly Victor Tulane Court) is a part.

MHA requires that development, design, construction and long-term operations of the project is environmentally sound, resource efficient and respectful of the physical, historical and cultural traditions of the prospective residents and surrounding neighborhoods. LIHTC is vital to the success of this project, the Authority must adhere to standards outlined in the most recent Qualified Allocation Plan ("QAP") from the Alabama Housing Finance Authority (AHFA). MHA and its development partner also ensure that the following development values are represented in the redevelopment program of Tulane and Columbus Square:

- Creation of rental units indistinguishable, in quality and visual appearance, from rental units for other levels of income in developments that are contiguous and integrated into the larger community.
- Maximization of public and affordable housing opportunities for residents.
- Maximization of the use of private financing, to minimize the investment of limited MHA resources.
- Establishment of an avenue, to engage residents of all income levels and backgrounds, local institutions and other stakeholders in the revitalization effort.
- Creation of employment and business opportunities for public housing residents,
- resident-owned businesses and other minority/women-owned businesses that provide bona-fide commercial value to the project, such that residents and businesses obtain/build skills and experiences, through working with MHA-related development projects, that can be valuable in non-MHA-related work.
- Reflection of architectural and urban design standards of Montgomery neighborhoods,
- recognizing applicable cost limitations.
- Enhancement of the professional knowledge, skills and ability of the MHA development, financial and management staff.
- Inclusion of the community and potential residents, throughout the development process.
- Use of the principles of New Urbanism, whenever feasible, to establish an environmentally affable community that promotes diverse, compact, vibrant and mixed-use communities.

In addition to the redevelopment projects listed above, the Housing Authority also investigated the feasibility to add more affordable housing units to its portfolio, through acquisition and rehab and/or new construction projects and joint public/private partnerships. Multiple sites are currently under review for financial feasibility.

Other efforts to increase the supply of affordable housing in Montgomery, include reviewing PBVs, under the HCV program. These efforts may also include issuing an RFP for PBVs, through joint partnerships with the private sector, to the extent such partnerships would benefit the MHA and create additional revenue streams for the agency.

Regarding the demolition and disposition activities planned for the upcoming year, MHA intends:

- Acquisition Rehab and/or new construction for the development of replacement housing for Smiley Court.
- Submit additional disposition amendments, as necessary, for Phases III and IV of the former Trenholm Court for development activities.

Finally, MHA previously received disposition approval from HUD for the sale of the Cedar Park property. This property is the former site of 230 public housing units that were previously demolished in 2003. The Housing Authority intends to work with the non-profit community to discuss using the property for a commensurate public benefit.

D.1

Affirmatively Furthering Fair Housing. (Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Affirmatively Further Fair Housing Statement

The Montgomery Housing Authority affirmatively furthers Fair Housing, in the administration of its programs, by complying fully with all Federal, State and local nondiscrimination laws and administering programs, in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and by marketing its program to members of protected classes who are "least likely to apply".

The Authority shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, familial status, marital status, parental status, sexual orientation, military status or disability. This is a fundamental policy of the MHA, as it is committed to due diligence, in assuring equal housing opportunities and non-discrimination in all aspects of its housing activities. MHA has embraced an ethical, as well as the legal imperative, to aggressively ensure that MHA's housing programs comply fully with all local, state and federal fair housing laws including, the Fair Housing Act of 1968, as amended (Fair Housing Act) and its implementing regulations. Additionally, the MHA is implementing special initiatives to affirmatively further fair housing, as required by Section 808(c)(5) of the Fair Housing Act. These efforts to affirmatively further fair housing include promoting the deconcentration of poverty, income-mixing, and opportunities for families to live in the various, diverse communities throughout the City of Montgomery.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

The MHA has maintained, in its lobby, a bulletin board, which accommodate the following posted materials:

1. Statement of Policies and Procedures governing the HCV Administrative Plan and the Public Housing ACOP.
2. Open Occupancy Notice (applications being accepted and/or not accepted)
3. Income Limits for Admission
4. Utility Allowances
5. Informal Review and Hearing Procedures
6. Fair Housing Poster
7. "Equal Opportunity in Employment" Poster

Additionally, as part of the briefing process, the MHA has provided information to applicant families, about civil rights requirements and the opportunity to rent in a broad range of neighborhoods.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

The City of Montgomery, Alabama conducted an Analysis of Impediments (AI) to Fair Housing Choice in 2014, as part of its 2014-2019 Consolidated Plan. The AI identified fourteen impediments, with one specifically directed to MHA that impacts residents' fair housing choice in the City: Racial and Economic Isolation of Public Housing Residents, which states that both voucher holders and public housing residents live in poor, racially-concentrated neighborhoods.

Since the initial 2014 AI report, MHA has endeavored to address this impediment. To lessen racial and economic isolation, and achieve greater housing choice, MHA expanded landlord outreach and conducted annual landlord orientation meetings. In addition, MHA encourages applicants to seek housing throughout the City and the surrounding MSA as part of the HCV briefing process.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

To further combat the disparity, MHA has coordinated with the City of Montgomery to educate and inform community stakeholders to encourage the development of affordable housing throughout the City with the support and mutual investment of city funds. MHA is engaged in ongoing efforts to identify land suitable for housing development efforts that will meet or exceed the HUD site and neighborhood standards and deconcentration goals.

Questions/Comments:

Question/Comment #1 [regarding CNI]: When you all do that [relocation], do the people already living in those residences [Paterson Court] move somewhere else until new housing is developed?

Question/Comment #2 [regarding senior living facility]: When y'all build them [new units] make the kitchen a little bigger (Parks Place).

Question/Comment #3 [regarding RAD]: Will you build housing back on the Smiley Court property?

Question/Comment #4 [regarding public safety]: Do the security cameras work? The cameras don't capture footage on the entire front/back porch. They only get sections.

**Resident had issues with people knocking on front door. Camera did not capture footage of perpetrator.*

Question/Comment #5 [regarding public safety]: What if someone breaks into my car and I go to rent office for them to roll back the security camera?

Question/Comment #6 [regarding public safety]: Are you going to bring back security during the summertime? Most of the problems happen during the summer. We used to have security officers 24 hours, day and night. We have security during the day, but nothing happens during the time when he comes.

Question/Comment #7 [regarding public safety]: I have issues with people sitting on my back porch at night when the police are not around. They [perpetrators] know when the police are coming.

Question/Comment #8 [regarding public safety]: If you want to get a handle on what's going on out here, have the police on a shift where the most crime is happening...you have to put the police out here during the times when it counts. As soon as the rent office closes all Hades breaks loose.

Question/Comment #9 [regarding Parks Place renovations]: The bathrooms and kitchen are too small. All bedrooms should have walk-in closets and all kitchens should have a pantry and dining area. It is impolite to eat in your bedroom/living room. That's how roaches are attracted.

**No pantry or dining area. Resident has to put dirty clothes in washing machine due to lack of sufficient space to store them in closet.*

Question/Comment #10 [regarding Tulane Gardens renovations]: I have been complaining for years about the doors. They just put on a brand-new door, but you can still see light coming through, bugs still come in, it gets cold in the apartment. They tell us not to put anything in front of the doors, but you

have to in order to keep the heat from escaping. Also, there are nails coming through the walls [in some units].

**Resident expressed issues with air escaping through windows as well. Mentioned that maintenance said that the doors are slanted which is why light/air gets in/out.*

Question/Comment #11 [regarding Parks Place renovation]: Can you add designated parking spots for the residents?

**Resident[s] mentioned painting bldg. number on the ground.*

Question/Comment #12 [regarding parking]: Management needs to step up on regulating visitors. Management can curb a lot of stuff [issues on site].

Question/Comments #13 [regarding issues in general]: We talk about these things every month. I'm not trying to complain just to complain. If you fix the problem, then we would leave you alone. Do something about it instead of just saying "we're working on it".

**Resident mentioned that she needed a new breaker box and had been waiting on a new dish washer for almost 2 years.*

Question/Comment #14 [regarding Gibbs West]: We've been having issues with our stoves since last year.

Annual Certification and Board Resolution

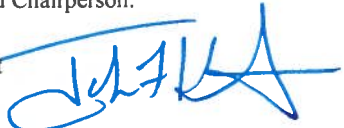

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the fiscal year beginning 2023 in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the mission, goals, and objectives of the public housing agency and implementation thereof:

The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.

*In the City of Montgomery 2020-2024 Consolidated Plan, the Comprehensive Housing Affordability
Strategy (CHAS) data indicates the housing need among rental households with incomes below 30% of
HAMFI with a housing cost burden greater than 50% of their income is 7,544 households. This
overburdened group is served through Montgomery Housing Authority's (MHA) existing public housing
inventory, Housing Choice Voucher (HCV) program, tenant-based vouchers, and mixed-finance housing
development efforts. The MHA provides affordable housing for households at or below 30% of area median
income in both public housing and HCV programs while also including income tiers in its development
efforts for newly constructed mixed-finance communities to help ensure that the neediest families are given
preference in the leasing process. Additionally, MHA tenants pay no more than 30% of their adjusted
household income for the tenant portion of the rent. Therefore, the activities presented in the MHA's PHA
Annual and 5-Year Plan are in alignment and fully consistent with the City of Montgomery's Consolidated

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 2023, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:

6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10.  17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
