

ADDENDUM EIGHT

DATE: January 19, 2023
TO: All Respondents
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #8 Question and Answers 5**

Thanks - my question was in reference to the sample sizes outside of the 35, for example waiting list indicator is based on number of new admissions and respondents have no way of figuring out that number.

MHA Response: The indicator numbers below are for the prior fiscal year 2022. MHA's fiscal year is from April 1st to March 31st.

2022 SEMAP Universe for the below Indicators are as follows:

Indicator 1- New Admission Universe FY 2022: 1024
Indicator 2- Rent Reasonable Universe: 704
Indicator 3- Determination of Adjusted Income: 3263
Indicator 5- HQS Quality Control Inspections: 3071
Indicator 6- HQS Enforcement: 2205

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
