

ADDENDUM ONE

DATE: February 8, 2023
TO: All Respondents
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #1 Question and Answer**

I have reviewed the RFP and am eager to bid the job. Are you requiring all bidders to have a Prime General Contractor License? Mine is expedited because of the lack of need. It takes several months to complete the process.

MHA Response: Please refer to the section above Section 1.0 Scope of Work that speaks to licensing requirements.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a bid from your company.
