

ADDENDUM TWO

DATE: February 8, 2023
TO: All Respondents
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #2 Question and Answer**

I received IFB Number 2023-02 Landscaping Services. After reading, I'm a little confused as to how Section 3 Plan will play apart in the IFB. Can you provide me with some additional information concerning this IFB?

MHA Response: MHA's Section 3 Plan comes into plan within this IFB if the contractor and/or subcontractor is willing to hire, train and utilize section 3 participants. Participation is strongly suggested.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a bid from your company.
