

ADDENDUM ONE

DATE: August 18, 2023
TO: All Respondents
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #1 Question and Answer**

1. Please provide me with an estimate of how many associates you would require for this RFP? **MHA Response: Although atypical of the needs of the agency, MHA made over 40 maintenance mechanics and 7 administrative requests for temporary staff during the last contract period (2.5 years). MHA can't provide an estimate during this contract period, as the requests are based upon agency needs as they occur. MHA does not guarantee any number of requests/placements to any awarded vendor.**

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
