

ADDENDUM ONE

DATE: April 22, 2025
TO: All Respondents
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #1 Question and Answer**

Has there been an asbestos survey completed on these units

CLARIFICATIONS:

- 1. No Asbestos Abatement Required – The existing building does not have asbestos in it. Therefore, asbestos removal is not required for this project and there is not a hazardous materials report for the building.**

We are grateful for your interest in doing business with our Agency and we look forward to receiving a bid from your company.
