RE: **ADDENDUM #2 Submission Extension and Revision to Scope and Contract Terms**

The Montgomery Housing Authority, MHA, is extending the submission date of proposal from Thursday, December 11, 2025, at 3 pm CST to Friday, December 12, 2025, at 3 pm CST.

MHA is also revising the scope of work and the contract terms, to now extend past the renovation plumbing project to 2 years after completion. It will also include a revision for the communities served to include MHA agency-wide residents housed at the following communities: Gibbs East, Gibbs West, Paterson Ct., Parks Place and Tulane Gardens. The extension of the 2 years after the initial project completion will be on an as needed/task order basis initiated by request from MHA.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a proposal from your firm.
