MHA used information available through the U.S. Census, Comprehensive Housing Affordability Strategy (CHAS), the American Community Survey (ACS) , and other data available to the MHA, to complete the matrix below. MHA serves households with an income less than or equal to 80 percent of the Area Median Income (AMI) of the City of Montgomery. In the City, 12,675 households have an income less than or equal to 30 percent AMI. The need is further established by the number of households on the MHA combined waiting lists for Public Housing, HCV and Project-Based assistance, 6,786.

MHA's Combined Waiting Lists data indicates that the greatest housing need in the City of Montgomery, AL, is among extremely low-income families with children. Of the combined 6,786 households on the waiting list, 1,123 are extremely low income and 3,313 are households with children that lack adequate housing. MHA plans to address this need strategically through our redevelopment efforts. Partnering with the City of Montgomery and the State of Alabama Housing Finance Agency, MHA will strive to leverage private equity funding, to undertake the construction of housing that includes two and three-bedroom units that are affordable to extremely low-income households with children. These mixed income communities will be marketed through traditional publications, as well as through supportive services partnerships. Through these efforts, MHA will increase the number of affordable housing units throughout the Montgomery market, and present mixed finance developments as viable options for extremely low-income families seeking housing.

**Safety and Crime Prevention**

MHA services a population with an annual income which is extremely lower than the average city population. That factor places residents and visitors to the area in a “want more” feeling of life than the average citizen. Safety and crime prevention has been elevated to the forefront of resident importance. To help in combating and lessening criminal behavior, MHA has begun a resident safety program to ensure the residents obtain and maintain a feeling of security and comfort. The program has several different aspects, many of which are ongoing. They are as follows:

- **Revision of Comprehensive Safety Plan:** The MHA will make revisions to the existing draft comprehensive safety plan in the coming year to ensure the safety of agency staff and its residents.
- **Physical Improvements:** MHA will seek to implement physical security improvements (fencing, bollards, gates, cameras, etc.) at its public housing sites to better control traffic flow and intrusion from non-residents.

**Pet Policy**

The purpose of a pet policy is to establish clear guidelines for ownership of pets and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets within all our developments. Pets must be registered with MHA and the deposit must be paid before the Pet is brought on the premises. A flat amount of \$250.00 must be paid at our general occupancy developments and a flat amount of \$50.00 must be paid at our elderly development.

*Registration of Pets*

- Pets must be registered with MHA before they are brought onto the premises. MHA will refuse to register a pet if:
  - The pet is not a common household pet. Common household pet means a domesticated animal, such as a dog, cat, bird, or fish that is traditionally recognized as a companion animal and is kept in the home for pleasure rather than commercial purposes
- The following animals are not considered common household pets:
  - Reptiles
  - Rodents
  - Insects
  - Arachnids
  - Wild animals or feral animals
  - Pot-bellied pigs
  - Animals used for commercial breeding

*Pet Restrictions*

- The following animals are not permitted:
  - Any animal whose adult weight will exceed 25 pounds
  - Dogs of the pit bull, rottweiler, chow, or boxer breeds
  - Any animal not permitted under state or local law or code

*Number of Pets*

- Residents may own a maximum of 2 pets, only 1 of which may be a dog.

MHA will focus on poverty de-concentration by seeking to develop mixed income housing in communities with desirable amenities.

MHA may establish an Acquisition Infill (AI) program to build infill housing to stabilize key neighborhoods, especially in low impact areas, to aid in the de-concentration of poverty.

MHA will explore off-site acquisition opportunities in the upcoming year to replace ACC units lost due to the demolition and disposition activities undertaken to advance transformation goals in the previous years.

**Designated Housing for Elderly and/or Disabled Families**

The MHA will draft a development plan for the future construction and/or acquisition of housing communities for senior citizens.

The MHA will explore opportunities to purchase pre-existing units to expand its senior living inventory in addition to partnering with local affordable housing developers such as Aletheia House, Inc. to house voucher holding senior residents.

Additionally, the agency will revisit previous housing unit mix plans for the Ann St. senior living facility to implement in the future development phases for the Plaza at Centennial Hill and/or Columbus Square.

**Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD**

Under HUD's Rental Assistance Demonstration (RAD) program, MHA has received approval to convert units from the Public Housing program to Project-Based Vouchers (PBVs).

MHA has received a CAT (Conversion Awaiting Transfer) for a total of 147 units from the former Smiley Court public housing development. A portion of the 147 units may be used to develop additional housing on MHA-controlled properties (replacement housing for Paterson Court). A portion of the 147 units may be awarded through an Offsite RAD project-based voucher Request for Proposals.

Upon conversion of any RAD units MHA will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.7 of PIH Notice 2019-23, REV-4; and PIH Notice 2016-17.

In conducting its review of site selection for a proposed project, the PHA will complete a review with respect to accessibility for persons with disabilities and the proposed site is consistent with disabilities and the proposed site is consistent with applicable accessibility standards under the Fair Housing Act, Section 504, and the ADA.

DRAFT

**D.1 Affirmatively Furthering Fair Housing (AFFH).**

Provide a statement of the PHA’s strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

**Affirmatively Further Fair Housing Statement**

The Montgomery Housing Authority affirmatively furthers Fair Housing, in the administration of its programs, by complying fully with all Federal, State and local nondiscrimination laws and administering programs, in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and by marketing its program to members of protected classes who are “least likely to apply”.

The Authority shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, familial status, marital status, parental status, sexual orientation, military status or disability. This is a fundamental policy of the MHA, as it is committed to due diligence, in assuring equal housing opportunities and non-discrimination in all aspects of its housing activities. MHA has embraced an ethical, as well as the legal imperative, to aggressively ensure that MHA's housing programs comply fully with all local, state and federal fair housing laws including, the Fair Housing Act of 1968, as amended (Fair Housing Act) and its implementing regulations. Additionally, the MHA is implementing special initiatives to affirmatively further fair housing, as required by Section 808(c)(5) of the Fair Housing Act. These efforts to affirmatively further fair housing include promoting the deconcentration of poverty, income-mixing, and opportunities for families to live in the various, diverse communities throughout the City of Montgomery.

**Fair Housing Goal: *Promote Agency Transparency and Educate Our Community About Public Housing Opportunities***

**Describe fair housing strategies and actions to achieve the goal**

- The MHA has maintained, in its lobby, a bulletin board, which accommodate the following posted materials: :
1. Statement of Policies and Procedures governing the HCV Administrative Plan and the Public Housing ACOP.
  2. Open Occupancy Notice (applications being accepted and/or not accepted)
  3. Income Limits for Admission
  4. Utility Allowances
  5. Informal Review and Hearing Procedures
  6. Fair Housing Poster
  7. “Equal Opportunity in Employment” Poster

Additionally, as part of the briefing process, the MHA has provided information to applicant families, about civil rights requirements and the opportunity to rent in a broad range of neighborhoods.

**Fair Housing Goal: *Expand Supply of Affordable Housing for Seniors and Disabled Residents***

**Describe fair housing strategies and actions to achieve the goal**

The City of Montgomery, Alabama conducted an Analysis of Impediments (AI) to Fair Housing Choice in 2025, as part of its 2025-2029 Consolidated Plan. The AI identified seven impediments, one of which identifies an inadequate supply of affordable housing for elderly, veterans, homeless and disabled residents.

In light of this, the MHA will seek to develop a senior living facility as well as explore opportunities to issue Project-Based Vouchers in safe, accessible, senior-friendly neighborhoods.

**Fair Housing Goal: *Increase Availability of Affordable Housing***

***Describe fair housing strategies and actions to achieve the goal***

To further combat the disparity, MHA has coordinated with the City of Montgomery to educate and inform community stakeholders to encourage the development of affordable housing throughout the City with the support and mutual investment of city funds. MHA is engaged in ongoing efforts to identify land suitable for housing development efforts that will meet or exceed the HUD site and neighborhood standards and deconcentration goals.
