

ADDENDUM FOUR

DATE: May 29, 2026
TO: All Bidders
FROM: Sheila Brown, Procurement/Contract Administrator
RE: **ADDENDUM #4 Question and Answer**

Does the Contractor furnish and install new appliances (Refrigerator, Stove, Washer, Dryer, Dishwasher, etc.)?

MHA Response: Bidder shall supply and install refrigerator and stove. There is no dishwasher and the tenant supplies their own washer and dryer.

Are there or will there be HVAC and Electrical plans? **MHA Response:** No A/C or electrical plans are available or necessary.

The pictures/drawings provided from the Insurance Claim are cluttered. Is there a clearer drawing to show the location of the rooms, closets, etc., for each unit? **MHA Response:** There are no other drawings supplied by the insurance company. Layout of unit A is still on the floor; Unit B is a mirror of A for reference.

We are grateful for your interest in doing business with our Agency and we look forward to receiving a bid from your company.
