### ADDENDUM THREE

**DATE:** May 28, 2026  
**TO:** All Bidders  
**FROM:** Sheila Brown, Procurement/Contract Administrator  
**RE:** ADDENDUM #3 Question and Answer

- 
- 
- 1. Can a traditional heat pump be installed for this project? MHA Response: Yes**
  - 2. Will Bid Proposals be accepted electronically? MHA Response: Yes, electronic bids can be accepted but only through the Housing Agency Marketplace. See information below:**

Bidders may also submit their proposals electronically, versus submitting hard copies, by visiting the Housing Agency Marketplace (Eprocurement) <https://ha.internationalprocurement.com>. Bidders are encouraged to register prior to submission deadline. It is recommended that the Bidder submits its bid in sufficient time to ensure acceptance. The Bidder will receive notification of acceptance of submission through the Eprocurement marketplace. If the Bidder encounters any issues relating to the electronic submission, please contact the Eprocurement marketplace via their online "Customer Service" link. The Bidder must enter the pricing as indicated on the site in order for their submission to be accepted. Emailed submissions will not be accepted.

Please do not contact the agency if you encounter issues as this is a third party platform that isn't owned by MHA.

**We are grateful for your interest in doing business with our Agency and we look forward to receiving a bid from your company.**
